REPLY TO THE ATTENTION OF:

SQ-14J

MEMORANDUM

DATE: SEP 30 1993

SUBJECT: Approval of the Second Revision Quality Assurance Project Plan for the PRP-Lead Groundwater Remedial Design/Remedial Action Activities for Pagel's Pit Landfill Site in Winnebago County, Illinois.

FROM: Curtis Ross 
Acting Regional Quality Assurance Manager

TO: Robert Bowden, Acting Chief
Illinois/Indiana Remedial Response Branch

ATTENTION: Bernard J. Schorle, Remedial Project Manager

I am granting Approval for the second revision Quality Assurance Project Plan (QAPP) for the PRP-Lead Groundwater Remedial Design/Remedial Action Activities at the Pagel's Pit Landfill Site in Winnebago County, Illinois. The subject QAPP was received by the Quality Assurance Section (QAS) on September 23, 1993 (QAS log-in SF # 1995).

The following changes were done in the QAPP and must be inserted in all copies:

- a) The second sentence of Section 2.1.1 on page 1 of 7 was deleted.
- b) The missing page 3 of 8 of **Appendix B5 Ammonia Nitrogen** (Standard Operating Procedure) has been inserted.

Enclosed with this memorandum is the signed Signature page. Please have the Remedial Project Manager provide final sign-off and return a copy to QAS for our records within two weeks.
